

## 2019 LICENSING AND PERMITTING EXAMINATION SCHEDULE

### January through June

The Licensing and Permitting Section of South Carolina State Fire issues licenses and permits to people and companies engaged in the business of servicing portable fire extinguishers and fixed fire extinguishing systems (other than water-based), pyrotechnic display operators, and blasting operators. Written examinations are administered for these licenses and permits.

#### IMPORTANT INFORMATION

- Applicants must be **pre-registered** to take an examination. Completed applications **must** be received (including **all** required forms, certifications, photographs and payments) **before** applicants may be scheduled for the examinations.
- Examinations start promptly at 10:00 on the examination date and no one will be admitted after that time.
- You must bring photo identification, such as a driver license, and your Social Security card for review by the proctor before receiving your examination packet.
- Examinations are given at the S.C. Fire Academy campus, located at 141 Monticello Trail, Columbia, SC 29203. When arriving on the campus, proceed straight ahead to the building behind the flagpoles. The exact examination location will be shown on the electronic monitor.
